All Guitars Page - iPad/Tablet View

Once the user is registered or logged in the navbar will have a log out icon and two additional links called All Guitars and Add Guitar.

The image is a wireframe of an iPad screen, showing a web page layout. The screen is framed by a dark grey border representing the iPad's bezel. At the top, the status bar shows "iPad", signal strength, time "6:46 PM", and battery level. The page layout includes:

- Header:** A square logo placeholder labeled "logo" on the left. On the right, three blue links labeled "a link" and a share icon (a square with a right-pointing arrow).
- Main Content Area:** A large white rectangle is centered on the page, containing:
 - The text "Some text" at the top.
 - A thick, black, wavy horizontal line below the text.
 - A list of seven items, each consisting of a small square checkbox followed by a horizontal line and some illegible text.
 - A rectangular button labeled "Button" at the bottom of the list.
- Footer:** Three social media icons (GitHub, Instagram, and Pinterest) are aligned horizontally. To their right is a large black circle containing a white upward-pointing arrow. Below these icons is another thick, black, wavy horizontal line.
